United Basket Company is pleased and proud to present their new 2016, combined basket and furniture catalog.

United Basket Company's roots go back to the early 1900's, to the small town of Rudnik n/Sanem in Poland. It was here that the company originally distributed its baskets throughout Europe.

In 1945, we relocated our headquarters to New York and expanded our warehousing to import baskets and furniture from many other countries.

Now, almost a century later, United Basket Company still flourishes by offering their customers the finest quality products at competitive prices. We feature our latest products and new items at many regional and national trade shows.

Local business are cordially invited and encouraged to do their purchasing at our modern warehouse, which is open 5 days a week 7:00 AM - 4:00 PM.

Please note that most orders are generally shipped within 5 working days or less and orders are processed year round. Our office is most anxious to give you the latest in-stock information and news of the hottest selling items.

United Basket Company looks forward to your support as we enter our 72nd year serving our customers.
